

SCENE 1 Script

Stage 1

Inside Tent:

Girl1: How did you even get pregnant? Was it boy 2?

Girl2: No...

Girl1: I know you said it was a freak anomaly but that's a little hard to swallow.

Girl2: I don't even know what happened. I just noticed I was pregnant.

Girl1: You didn't have sex with anyone either...

Girl2: yeah...

Girl1: c'mon- that's way too farfetched.

Girl2: weirder stuff have happened.

Girl1: ... (looks down)

mainChar: ...

Camp:

Boy2: So it is true then. Girl2 got herself knocked up.

Boy1: It's not as simple as that. She said she just turned up pregnant. She said she doesn't know what happened.

Boy2: well, I think it's pretty obvious what happened (shoots a glance to the other boy)

Boy1: she said she didn't have sex with anyone.

Boy2: You really believe that?

Boy1: ...

Boy2: how are we even gonna feed it?

All silent for awhile

Boy1: I guess we'll just have to split our rations a bit more.

Stage 2

Camp:

Girl1: Hey guys- did you get dinner ready?

Boy2: (scathing) Did *you* all find out how Girl2 even got pregnant?
Girl1: We told you... She just turned up pregnant. We need to find out how it happened.
Boy2: Right...
Boy1: (Beckons Girl2 over) Girl2, I saved you a seat. How're you feeling?
(All girls sit down around the fire with the guys)
Boy2: Me and Boy2 were talking about splitting our rations.
Girl2: You mean for the baby?
Girl1: I thought we were going to find a way to abort it.
Boy1: Abort it? I thought we were keeping it?
Girl1: Well, we can't really feed it, can we? And Girl2 didn't even want it in the first place.
Boy1: But that doesn't mean she wants it aborted.
Boy2: I think Girl3's right. We don't have enough food to feed it.
Boy1: Shut Up. Let's just ask Girl2.
Girl2: I-I don't know. I don't really want it but I feel bad just killing it.
Boy2: It's gonna feel even worse if it comes out here and we don't even have a bed for it.
Girl1: Oh my god, can we just eat dinner right now?
Boy2: Why did you think it was a good idea to get pregnant anyway?
Girl1: Watch it- she didn't want to get pregnant. It just happened.
Boy2: Right. "It just happened." How convenient.

Stage 3

Girl1: Who put out the fire?
Boy2: Maybe 'it just happened.'
(All silent for a beat)
Girl1: Let's just go find some more wood.
(all move to the forest scene)

MainCharacter: Guys, look at these.
Boy2: Hey, It's footprints.
Boy1: Was someone here?
Girl2: Oh, yeah, I came through here yesterday when you all were sleeping.
Girl1: We told you to stick with the group!
Boy1: Dude... not cool. We don't know what to expect. If you don't stick with the group, it could end pretty badly.
Girl2: I know, I'm sorry. I just need to get away for a bit and be by myself.
Boy2: (sigh) So what happened? You came out here and then what?

Girl2: I don't know, I walked around for a bit. I went to the hill and I fell asleep under the big tree.

Girl1: You stayed out by yourself ALL NIGHT?!

Boy1: Did you get pregnant last night?

Girl2: I fell asleep. I don't remember

Stage 4

Boy1: So you were sleeping here?

Girl2: Yeah.

Boy1: um, What's that white stuff on the roots...

Boy2: Wow. Guess now we know you're full of shit, Girl2.

Girl2: I did not have sex with anyone. I just turned up pregnant. How is this so hard to understand? I think I'd know if I had had sex.

Boy2: Right. Let's go guys. This was a waste of time.

Girl2: I really mean it.

Girl1: Guys, She'd definitely know if she were pregnant by normal means.

Girl1: And who'd wanna have sex with any of you guys? Unless you're implying there's some other guy walking around the moon impregnating people.

Boy2: I'll have you know lots of girls wanted to have sex with me on earth.

(All return to the camp)

mainChar: ...

Stage 5

(all campers are irritated)

Stage 7

(girl1 pregnant)

Girl1: Oh my god. I think I'm pregnant.

Girl2: Join the club...

Boy2: Really? Couldn't keep it in your pants?! We're gonna have to start eating each other soon.

mainChar: ...

Girl1 : C'mon! I would not get pregnant on purpose. I just fell asleep under that tree like Girl2 did and... I just turned up...

Girl1: Hey! I think that's it- it's probably sleeping under that tree that did it! But it was so dark... I couldn't see anything!

Boy2: Agh. No more excuses. I need to go see how many more dinners we can have before we need to vote who we're eating...

Girl1: Boy1...?

Boy1: Sorry ladies, I, um, have to go.

Girl1:...

Girl2: ... I believe you.

mainChar: ...

(mainChar pregnant)

Girl1: mainChar? What's wrong? You look pale.

Girl2: No- don't tell me- YOU'RE PREGNANT TOO?!

mainChar: ...

Boy2: Oh My God, really. You thought we weren't in a tough enough position already? You just had to go get knocked up? I liked it better when you just stood there...

mainChar: ...sleep... under tree.

Girl2: You slept under the tree? I'm starting to think this is all related.

Girl1: Yeah, it may be worth checking out. Boys?

Boy2: Not Interested. It's obvious to me what happened and I don't feel like listening to any more of your excuses.

Boy1: ... Sorry guys. I'm tired and this is getting old.

(Boy2 pregnant)

Boy2: Oh God. I- I- I'm-

Girl1: Spit it out!

Boy2: No... it's too shameful.

Girl2: C'mon, we understand. And who're we gonna tell?

Boy1: Pull it together, man.

Boy2: I'm- I'm- PREGNANT.

All: Gasp!

Boy2: Oh the shame! (Falls to knees)

Girl1: Get a grip. How did this happen? And how do you know?

Boy2: I just *know*. I fell asleep under the tree last night and the next thing I know, I'm pregnant.

Girl2: Are you really pregnant? You're a boy so...

Boy1: Kinda hard to believe, dude:

Boy2: Is THIS hard to believe?! (Pulls up shirt dramatically to reveal gross fetus silhouette)

Not Pregnant: GASP

Girl2: Huh, looks about right.

Girl1: Ok guys, it really looks like something is going on with that tree. Something is happening at night over there. We need to check it out.

Boy2: But it's totally pitch black at night. And Someone threw our only portable light source to the top bunk and then promptly broke the ladder.

Girl2: Hey! It was an accident.

Girl1: hmmm, guess we'll have to figure that out.

mainChar: ...

(Boy2 pregnant)

Boy1: Guys... you are not going to believe this.

Girl2: Try me. It can't be weirder than getting pregnant suddenly after months of zero sex

Boy1: I think I've got you beat. I'm Pregnant.

Girl2: You're a guy.

Boy1: I know... and I'm pregnant.

Boy2: Did you hit your head or something. You're a man, Boy1.

Boy1: Just look- (pulls up shirt to reveal weird fetus)

All: GASP

Girl2: huh, looks about right.

Boy2: Cheese! Boys can't get pregnant. What kind of futuristic, fucked up shit is this?!

Boy1: Yeah... It's really uncomfortable.

Girl1: How did this happen? Where were you last night?

Boy1: I fell asleep under the tree.

Girl1: Ok guys, it really looks like something is going on with that tree. Something is happening at night over there. We need to check it out.

Boy2: But it's totally pitch black at night. And Someone threw our only portable light source to the top bunk and then promptly broke the ladder.

Girl2: Hey! It was an accident.

Girl1: hmmm, guess we'll have to figure that out.

mainChar:...

Stage 10:

Girl1: So this is the moment of truth, guys. The big reveal.

Girl2: At least now we'll have some sort of explanation as to why all of us got pregnant.

(Whoever got pregnant last): God, I don't know if I even want to know...

Boy2: Hey, I think I hear something. Everybody quiet down.

(all crouch down and begin to whisper. See Giant Spider/Alien come down from the Tree)

Boy1: What the F-

Boy2: Holy-

Girl1: Shhhh! It's going to see us!

mainChar: ...!

Girl2: Guys! It's looking over here!

Boy2: Everybody! RETREAT!

(characters all run back to forest)

Boy1: What- what was that thing?!

Girl2: You know, That night I fell asleep under the tree- I had dreams of long, hairy legs. Something bit me and then I woke up.

(All pregnant people affirm that they also felt the bite and felt various parts of the spider)

Girl1: I guess that Spider is really what is causing all these pregnancies. So really, you guys are pregnant with baby spider hatchlings.

Boy2: This is so wrong. In so many levels.

Girl2: We should call it the manSpider. Cuz, you know.

mainChar: ...

Boy1: So... what do we do?

Boy2: We have to kill it. I can't believe we've been sleeping a few yards from that thing all this time.

Girl1: For once, we agree on something.

Girl2: So we're all going to kill it?

Boy1: Guess we'll need some weapons...

Girl1: We also need to make sure it gets on the ground. If we attack when it's still on the tree, it'll have an aerial advantage.

Girl2: I think it came all the way down to the floor when it got me pregnant.

Girl1: Hmm...

mainChar: ...

if only girls:

Girl1: So this is the moment of truth, guys. The big reveal.

Girl2: At least now we'll have some sort of explanation as to why all of us got pregnant.

(Whoever got pregnant last): God, I don't know if I even want to know...

(Boy2 & Boy1 notice everyone is missing and find everyone at the hill)

Boy2: Here you guys are. What? trying to get pregnant again so we can start eating each other faster.

Girl1: Boy2, Boy1, why are you guys here? We're kinda in the middle of something.

Boy2: Someone needs to make sure you all don't fuck even more up.

Girl2: We can take care of ourselves, ok? You can go back and wait at camp.

mainChar: ...

Boy2: Hey, I think I hear something. Everybody quiet down.

(all crouch down and begin to whisper. See Giant Spider/Alien come down from the Tree)

Boy1: What the F-

Boy2: Holy-
